The Nutrition and Breastfeeding Education and Training Section (NBETS)

July 2005

Our Nutrition Education (ONE) Newsletter

NBETS to Send Out Electronic Newsletter

Each month the **Nutrition and Breastfeeding Education and Training Section (NBETS)** of the WIC Branch will be sending out "ONE", our nutrition education newsletter. We will email the newsletter to primary WIC Program contacts, nutrition education coordinators, and training coordinators.

Since you may not have much time for reading long articles, each newsletter will be limited to ONE page. Each newsletter will focus on ONE theme and contain only a few articles.

Feedback? Suggestions? Questions?

Let us know what you would like to see in future issues of this newsletter. Contact us at

Gkhoe@dhs.ca.gov or 916-928-8815.

Nutrition Education, Marketing, and Outreach (NEMO) Unit
Finding NEMO?

Nutrition Education, Marketing, and Outreach (NEMO) Unit

Finding NEMO?

No, we are not the latest animated movie! We are a unit of the California WIC Branch. We provide a variety of resources (such as this newsletter) and services to local WIC agencies.

Here is what we provide:

RESOURCES

- Participant education materials (pamphlets, handouts, posters, etc.)
- "Welcome to WIC" orientation materials
- Outreach and marketing resources
- On-line resources (Nutrition Education Toolkit, lesson plans, nutrition education cards and circle charts, Fit WIC Project information, and recipes) at http://www.wicworks.ca.gov/education/education_index.html
- Electronic newsletter

SERVICES

- Review of local-agency developed participant education materials
- Facilitation of Nutrition Education Committee (NEC) meetings
- Support to regional nutrition education and training consortia
- Education-related training
